If you are new to Minueto, check out the [Howto](#) section for a quick introduction to the API.

MinuetoAbout

Minueto is a multi-platform 2D Graphic API which is easy to learn and use. Minueto also addresses other game programming concerns such as Input from Keyboard/Mouse and Sound playback.

API Reuse

API Reuse

A person is silhouetted against a bright sun on a mountain peak. The person is leaning over, possibly organizing gear. The scene is set against a sky with wispy clouds. A white text box is overlaid on the lower half of the image.
